MEMORANDUM FOR: Director, GDIP Staff  
FROM: Director, Program and Budget Staff, IC Staff  
SUBJECT: Congressional Questions for the Record

*Marty*

My thanks to all the members of the GDIP Staff for their help in responding to the great number of FY 1985 congressional questions for the record which required a GDIP answer. The written responses were almost always very timely and well written, and on the few cases where there were minor problems, your staff responded cheerfully and professionally. I wish to especially thank Jerry Williams, who managed things so well in your absence.
